UNITED STATES INTELLIGENCE BOARD

MEMORANDUM FOR THE UNITED STATES INTELLIGENCE BOARD

SUBJECT : Proposed USIB Policy Statement on Release  
of Intelligence to Contractors

REFERENCES : (a) USIB-D-39.5/2, 10 November 1959, Final  
(b) USIB-D-39.5/12, 3 November 1961  
(c) USIB-M-201, 21 February 1962, item 5

(f) USIB-D-39.5/16, 23 November 1962  
(g) USIB-D-9.3/4, 10 December 1962

1. The attached CODIB-proposed statement of USIB policy regarding release of intelligence to contractors is a revised version of the earlier draft statement on the subject which was submitted in reference (f) for USIB consideration and vote sheet action.

2. Board action on reference (f) was not completed however, through that procedure, since several Board members in their vote sheet response on the paper either proposed amendments or expressed reservations to the draft statement, as initially circulated. In light of that circumstance the Secretariat requested the Chairman and members of CODIB to review the proposed changes in the paper in consultation, as appropriate, with their respective Board principals, to obtain USIB concurrence in those amendments, if possible.

3. The results of the supplemental CODIB action above are reported in Mr. Borel's memorandum which transmits the attached revised paper. As recommended therein, the subject matter will be scheduled on the agenda of an early USIB meeting (probably that of 27 February).

Board action: Agreed that existing policy statement on subject (USIB-D-39.5/2, 10 Nov 1959, Final) should not be revised at this time (see USIB-M-259, 27 Feb 1963, Attachment item 3).

1. The attached proposed USIB policy statement on the release of intelligence to contractors has been agreed to by the members of USIB (or their representatives) except the State Department member, who has in effect asked to have Foreign Service reporting excepted from the force of this policy (see footnote to para. 3).

2. Inasmuch as the State position goes well beyond the immediate issue and vitiates the effect of DCID 1/7 (Controls for Dissemination and Use of Intelligence and Intelligence Information), I recommend the matter be placed before the Intelligence Board.
